   _____
   _____
   _____

There are three participants in the cooperative education venture. The signature of the student to this document shall serve to bind the student to the terms of this agreement and to make the student responsible for the satisfactory completion of said responsibilities in order to earn a grade and academic credit for the cooperative education assignment.

The signature of the coordinator and employer to this document shall serve to witness the responsibilities which the student has agreed to satisfy through the terms of this agreement.
