2. Rules of disposal at garbage collection sites

The rules about how to put out garbage differ by the area you are living in. The regulations make it mandatory to separate garbage. (burnable, non-burnable, cans, bottles, plastic (PET) bottles, etc.) The collection days and what will be collected are displayed at garbage collection sites. Please check the display before disposing of your garbage. If you do not separate your garbage properly, you may be charged a fine.

In Japan, we sometimes have earthquakes. In the case of an earthquake, it is important to stay calm. To prepare for an earthquake, please check the location of your nearest evacuation areas as soon as you arrive. The nearest evacuation places are listed below. If you feel unsafe staying in the building, please take shelter at 1 or 2.
